Program: Science Education
Major: Science Education - Physics
Degree: Bachelor of Science in Education (B.S.Ed.)

Dept: Engineering and Physics
College: Mathematics and Science
Major Code: 6044

University Core (Total Listed 42-44)

For a full list of courses see University Core.

- Courses from the major may apply to the areas marked in the University Core.

- Written and Oral Communication.............................................. 9

Quantitative Reasoning/Scientific Method.................................... 10-11
- Math............................................................. 3
- Life Science................................................... 4
- Physical Science............................................... 3-4

Critical Inquiry and Aesthetic Analysis................................. 6
- Aesthetic Analysis.............................................. 3
- Critical Inquiry................................................ 3

**Support Courses**

Support Courses................................................................. 9-15

- MCOM 1113 Fundamentals of Speech
- ENG 1113 English Composition
- ENG 1213 English Composition and Research

*MATH 1533 Precalculus-Algebra OR MATH 1513 College Algebra OR Placement Score AND MATH 1593 Plane Trigonometry OR Placement Score

*A grade of ‘C’ or better is required for either MATH 1513 or MATH 1533 and MATH 1593 to take MATH 2313.

**Major Requirements**

Science Education - Physics ............................................. 62

Science Education Core.......................................................... 34
- Biology ................................................................. 9
  Required courses:
  - BIO 1204 Biology for Majors: Principles
  - BIO 1225 Biology for Majors: Diversity

- Chemistry ............................................................... 10
  Required courses:
  - CHEM 1103 General Chemistry I AND
  - CHEM 1112 General Chemistry I Recitation/Lab
  - CHEM 1223 General Chemistry II AND
  - CHEM 1232 General Chemistry II Recitation/Lab

- Physics ................................................................. 8
  Required courses:
  - PHY 2014 Physics for Science and Engineering I and Lab
  - PHY 2114 Physics for Science and Engineering II and Lab

Earth Science ................................................................. 4
- Required course:
  - PHY 3014 Earth Science

Computer Science.............................................................. 3
- Required course:
  - CMSC 1513 Beginning Programming

American Historical and Political Analysis.......................... 6
  American National Government........................................... 3
  American History......................................................... 3

Cultural and Language Analysis........................................ 3-4
  Second Language......................................................... 4
  OR
  Cultural Analysis........................................................ 3

Social and Behavioral Analysis.......................................... 3

Life Skills ........................................................................ 5
- Required Health Course................................................. 2
- Elective Life Skills....................................................... 3
