Student Financial Information

Please complete either section 1 or section 2 of this document (not both).

Section 1: TAX RETURN FILERS —**Important Note:** If the student filed, or will file, an amended 2019 IRS tax return, the student must contact the UCO Financial Aid office before completing this section.

Instructions: Complete this section if the student, filed or will file a 2019 income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- The student has used the IRS Data Retrieval Tool in FAFSA on the Web to transfer 2019 IRS income return information into the student's FAFSA. Either on the initial FAFSA or when making a correction to the FAFSA. The student's school will use the IRS information that was transferred in the verification process.
- The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to retrieve and transfer 2019 IRS income tax return information into the student's FAFSA once the student has filed a 2019 IRS tax return. See instructions above for information on how to use the IRS Data Retrieval Tool. The Financial Aid Office cannot complete the verification process until the IRS information has been transferred into the FAFSA.
- The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and the student will submit to the Financial Aid Office, a copy of the **2019 IRS tax return transcript(s)**. To obtain an IRS tax return transcript, go to www.IRS.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2019 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.
 - Check here if the student's IRS tax return transcript is attached to this worksheet.
 - Check here if the student's IRS tax return transcript will be submitted to the Financial Aid Office later. Verification cannot be completed until the IRS tax return transcript has been submitted to the UCO Financial Aid office.
