Our practicum coordinator (Dr. Caleb Lack) maintains a consistent list of practicum sites we have worked with over the years. Once students are approved for practicum, they are each individually given a list of 2-3 practicum sites that have been approved by the practicum coordinator to contact to apply to for practicum placement. Students typically complete 2-3 interviews before receiving or accepting an offer. Students then sign a practicum contract with the site, usually the person who will be their site supervisor.
