

Evolutionary Medicine (BIO 4871) – CAPSTONE CONTRACT FORM

***Completely fill out and sign the following “*Capstone Contract Form*” and submit the form to the course instructor (Dr. Paul Olson) as an electronic document *via* email (polson@uco.edu) *or* printed and securely placed in my departmental mailbox. In addition, completely fill out the second form (*see below*) which is the “**Permission to Enroll**” in BIO 4840 and also submit to the Capstone Coordinator (also Dr. Paul Olson) at the same time as the pervious form.

***As a student, you are expected to enroll in *BIO 4871 – Evolutionary Medicine* to receive a capstone experience and also be enrolled in *BIO 4840 - Capstone* to receive capstone credit for the capstone experience. You will be notified once permission has been granted by the capstone coordinator, and you are able to enroll in BIO 4840.

Student Name: _____ Student ID Number: _____

Student Email: _____ Student Telephone #: _____

Course Name: Evolutionary Medicine Course Number: BIO 4871

Professor: Dr. Paul Olson Email: polson@uco.edu Telephone: 405-974-5795

Year: _____ Semester: _____

Description of the Capstone Experience

Student’s Responsibilities / Tasks:

1. Attend and actively participate each week in class
2. Submit writing assignments pertaining to weekly lectures, readings, and discussions
3. Submit comprehensive written assignment demonstrating understanding of evolutionary medicine
4. Submit capstone reflective writing piece – **Capstone Requirement**

Other Relevant Information: Student should be knowledgeable about use of library and searchable databases

I understand that in addition to enrolling in *BIO 4871 - Evolutionary Medicine*, I must **ALSO** be enrolled in *BIO 4840 – Capstone* to receive capstone credit.

I understand that in addition to the assignments listed above (see “*Student’s Responsibilities / Tasks*”) for *BIO 4871 – Evolutionary Medicine*, I must submit the capstone reflective writing piece by the deadline.
