PRIMARY HEALTH PARTNERS

All UCO employees can call, text or video chat with a doctor from Primary Health Partners, free of charge, even if you're not enrolled in the direct primary care plan. PHP doctors can answer questions and offer guidance regarding COVID-19.

MD LIVE TELEMEDICINE

All UCO employees and dependents enrolled in a medical plan have 24/7 access to doctors through the BCBS partnership with MD Live. Video chat and telephonic services are available. Doctors can diagnose and prescribe medication without requiring an in-person visit. The \$1250 PPO and HDHP without HSA plans offer a \$15 co-pay for telemedicine, while all other plans offer coverage subject to deductible and coinsurance.

COVID-19 TESTING

All UCO employees enrolled in a medical plan have \$0 out of pocket costs for COVID-19 testing. Coverage is provided at any provider, regardless of network affiliation.
