

# Capstone Application

**Deadline to apply:** The capstone application and capstone advisement appointment must both be completed before the deadline. Spring semester capstone applications are open the prior August 1 - September 7. Summer and Fall semester capstone applications are open the prior January 1 - February 7.

**Note:** Some practicum sites may require additional security/drug check applications. If selected as a candidate for one of these sites, the forms will be provided to you.

## Capstone Eligibility Checklist

Students must have the following to participate in a capstone:

- FRSC 2503 Intro to Forensic Science
- FRSC 3043 Crime Scene Processing
- FRSC 3123 Criminal Procedure
- FRSC 4253 Forensic Science Analysis & Lab
- Most, if not all, forensic science electives
- Meet all GPA and graduation requirements for both degrees
- Capstone must be completed the semester prior to or during your graduation semester (Summer semester is considered its own semester)
- Refer to the degree sheet for which capstone options are allowed in your specific program

## Mark the Forensic Science degree track you are pursuing:

- General     
  Molecular Biology     
  Chemistry     
  Digital Forensic
