

Program: Computer Science **Dept:** Computer Science
Major: Computer Science **College:** Mathematics and Science
Degree: Master of Science (M.S.) **Major Code:** 6680

Computer Science, M.S.

This program is designed to prepare students to meet the demands of a Ph.D. study in Computer Science or a professional position in advanced computing applications in the IT industry. The curriculum offers four optional concentration areas for the students to further develop their problem-solving skills and expertise beyond the baccalaureate level.

Admission Requirements

Submit the following items to:
 Jackson College of Graduate Studies
 100 N. University Drive, NUC 404
 Edmond, OK 73034

- Online application for admission (www.uco.edu/graduate/).
- Official copies of undergraduate and graduate transcripts from each institution attended with all degrees posted. All transcripts must be from accredited institutions.
- Undergraduate transcripts must show a minimum GPA of 3.0 overall or 3.0 GPA in the last 60 hours attempted.*
- Request for conditional admission may be made by students having an overall undergraduate GPA of at least 2.50 or at least 2.25 with five years of experience in the discipline since the date of their first bachelor's degree.
- An undergraduate degree in Computer Science or evidence of completion of all prerequisites (if any), as determined by the graduate advisor.
- Students with a native language other than English must submit evidence of English language proficiency.

**Students falling below these standards may qualify for conditional admission. See [Admissions to Graduate Studies \(p.13\)](#).*

Other Requirements

- Plan of Study. Each student must file a plan of study with his/her graduate advisor and the Jackson College of Graduate Studies by the end of the first semester of graduate work. The plan must be signed and dated by the student and the graduate advisor before it can be considered official.
- Academic Standards. Meet the following course work standards:
 - Minimum cumulative graduate GPA of 3.00 in all graduate courses.
 - No more than six (6) graduate credit hours of C or lower grades.
 - Courses with a grade lower than a C do not apply toward graduation.
 - Apply for graduation through the Jackson College of Graduate Studies by the advertised deadline.
- Thesis (optional). If applicable, complete an acceptable thesis and successfully defend it in public. Submit two paper copies of the thesis and one electronic copy to the library through Proquest and the thesis' original title page, original signature page, summary and abstract page to the JCGS.
