Adult and Higher Education - Lifelong and E-Learning, M.Ed.

This major provides students with preparation to work in teaching positions in community settings and in higher education institutions, such as community colleges and four-year colleges. Anticipated interest groups for Lifelong and E-Learning are persons wanting to teach either online or in-person as their major responsibilities. This program provides students with the knowledge to implement technology as a tool for teaching and learning, and to enhance the delivery of teaching and learning experiences.
