

Program: Wellness Management **Dept:** Kinesiology & Health Studies
Major: Wellness Management - Exercise Science **College:** Education and Professional Studies
Degree: Master of Science (M.S.) **Major Code:** 3670

Wellness Management - Exercise Science, M.S.

The Master of Science in Wellness Management with an emphasis in Exercise Science is designed to prepare the student to promote and manage healthy and active lifestyles. It is designed to provide to the corporate, industrial, recreational, educational, and medical settings trained personnel who are capable of conducting adult physical fitness testing and developing personal fitness training programs that involve exercise and physical activity. The student will gain knowledge in the core foundation, exercise prescription for normal and special populations, wellness management, administrative tasks, professional development, and practical experience.

- Thesis. If applicable, complete an acceptable thesis and successfully defend it publicly, submit two paper copies of the thesis to the library and one electronic copy to the library through Proquest, and submit the thesis' title page, original signature page, summary and abstract page to the JCGS.
- Final Requirements. Apply for graduation through the JCGS by advertised deadline.

Admission Requirements

Submit the following items to:

Jackson College of Graduate Studies
 100 N. University Drive, NUC 404
 Edmond, OK 73034

- Admission to the Wellness Management-Exercise Science program is for **Fall Semester only**.
- Online application for admission (www.uco.edu/graduate/).
- Official copies of undergraduate and graduate transcripts from each institution attended with all degrees posted. All transcripts must be from accredited institutions. Undergraduate transcripts must show a minimum 2.75 GPA overall or 2.75 GPA in the last 60 hours attempted. *
- Students with a native language other than English must submit evidence of English language proficiency. See [Admission to Graduate Studies - English Language Proficiency \(pp. 17-18\)](#).
- The following courses are required prerequisites for certain graduate required courses: HLTH 3223 Applied Anatomy, PHED 3503 Physiology of Exercise, PHED 3333 Mechanical Principles of Movement, KINS 4513 Fitness Assessment, and KINS 4523 Exercise Prescription. Similar courses may be substituted with permission of the Program Coordinator. Students missing one or more required prerequisites will be admitted on a conditional basis due to missing prerequisites.

**Students falling below these standards may qualify for conditional admission. See [Admission to Graduate Studies \(p.17\)](#).*

Other Requirements

- Plan of Study. Each student must file a plan of study with their graduate program advisor and the Jackson College of Graduate Studies (JCGS) by the end of the first semester of graduate work. The plan must be signed and dated by the student and the graduate program advisor before it can be considered official.
- Academic Standards. Meet the following course work standards:
 - Overall GPA of 3.00 or higher.
 - No more than six hours of "C".
 - No more than six advisor-approved hours from traditional correspondence courses.
