# No Frills Guidelines

*Student priced catering menus are designed to provide service for special events at a minimum cost for registered student organizations. Student organization sponsored events must meet the following criteria for special pricing:*

- All catering fees must be paid for by student organization funds.
- We kindly ask that your order is submitted with at least five (5) days prior to your event.
- Orders may be picked up, up to three (3) hours prior to your event. All pick ups must be coordinated with the Chartwells Catering Team. Delivery within the Nigh University Center is included in the order. Orders outside the Nigh University Center will incur a minimum \$15.00 delivery fee.
- All selections will include appropriate disposable cups, plates, napkins, and cutlery, etc. Hot food holding equipment and service ware will be supplied only in the Nigh University Center when required. All non-disposable catering equipment will be picked up at an arranged time following the conclusion of the event. Any missing or broken equipment will be assessed a replacement fee.
- Items on the Student Catering Guide do not come with linens or catering staff.
- Student organizations are required to clean up all disposable service ware from the service area at the conclusion of their event. If not cleaned, a \$50 cleaning fee will be assessed.
- For registered student organizations that require more formal catering, please see the Carved and Crafted menu available at [uco.catertrax.com](http://uco.catertrax.com). Orders from this menu will receive a 5% discount.
- If you need to cancel your event within two (2) working days of the event, a 50% cancellation fee will be assessed to your student organization. Cancellations made the day of the event will be charged the full price of the event, unless as a result of inclement weather.
