

UNIVERSITY OF CENTRAL OKLAHOMA

## Broncho Education and Learning Lab (BELL)

# Supplemental Instruction Program

### Selection of SI

In order to be an SI Learning Facilitator (LF) for a course, the student must have a high understanding of the course content and be able to articulate this to others through group study sessions. We ask that faculty recommend student applicants who have earned a grade of "A" in the course, have an overall GPA of 3.4 or above, have demonstrated reliable attendance in the class, and are willing to facilitate study sessions for groups. They also need to be flexible in order to adapt their instructional strategies to meet the students' individual learning styles and academic needs.

If you have a student or students in mind that fit this description, please provide their names and UCO emails. **Please return the completed form to [dramirez@uco.edu](mailto:dramirez@uco.edu).** Contact Dave Ramirez, BELL Coordinator, at 405.974.3495 or via email if you have any questions.

### Instructor Information
