Career Fair & Internship Fair Reflection Assignment

After attending the Career and Internship Fair, write a reflection on your experience using the following prompts.

Note to instructors: Specify length requirements and whether to write an essay or use short answer format.

Name:

Career and Internship Fair Reflection

How many companies did you speak with at the fair (you should have at least 3)?

List which companies you met with.

Which company did you enjoy meeting with the most? Why?

Which company did you enjoy meeting with the least? Why?

Did the fair help you either solidify/narrow down your career plans or develop new ideas of what you might want to do? Explain how it did or didn't help.

What is one thing you can do now to either continue working towards your current career goals or to take the next step in determining a career path?
