

Complete a Career Assessment

Career Assessments

We offer three assessments in our office that can look at interests, skills, values, and personality preferences to see a variety of careers that might be best for students based on those responses. Have your students take an assessment for credit and [schedule](#) an interpretation and activity presentation. **Some of our assessments have a cost and may take class time. Contact us for more details.**

- **FOCUS 2**
 - FOCUS 2 is a website that has different assessments on interests, skills, values, and personality available to students. It is free to use and available anytime.
 - Login: **FOCUS 2**
 - Click on New User image under the box
 - When creating an account students will need Access Code: **careers**
- **MBTI: Myers-Briggs Type Indicator**
- **Strong Interest Inventory**

If you are interested in learning about the MBTI and Strong Interest Inventory, please contact the Career Development Center. These assessments are available for a nominal fee of \$20 each for current students and alumni.
