

COMMUTER PERMIT INFORMATION

WHERE YOUR PERMIT IS VALID:

Commuter lots; Multipermit lots; and Faculty/Staff lots after 4pm.

LICENSE PLATE DISPLAY:

All license plates must be visible from the drive aisle. A citation will be issued to vehicles that do not have their license plate visible from the drive aisle. Vehicles may not back in or pull through a space unless they have a front license plate. A UCO vanity plate can be purchased from TPS to provide flexibility when parking.

EXAMPLES

VEHICLE LICENSE PLATE REGISTRATION:

It is important that permit holders ensure their license plate and vehicle information is accurate and up to date. Students, faculty and staff can access the online Parking Portal to add, edit or delete vehicles from their permit by following the steps listed below. Up to 4 vehicles can be registered to a permit, but only one vehicle may park on campus at a time to avoid receiving a citation.

- Click "Permits" in the top navigation bar, followed by "View Your Permits."
- Login with UCO credentials.
- Select the current active permit listed that you want to add a vehicle to.
- Click "Add Vehicles to Permit" at the bottom of the page.
- Check the box next to the vehicle(s) to be associated with the permit and select "Add the selected vehicle." If it is a vehicle not yet added to your account, select "Add a new vehicle" and enter the vehicle details to be added.
- To remove a vehicle from a permit, select "Delete" next to the vehicle and hit "OK" from the pop up message. Please note this does not remove the vehicle from your parking account. If you have outstanding citations, you will not have the option to delete a vehicle.

If you are no longer using a vehicle and you would like it removed from your parking account, please contact the parking office via email at parking@uco.edu.

UCO DECORATIVE PLATE:

Decorative UCO Front Plates can be purchased for \$5 from the TPS office, Bausher Place room 201, if permit holders would like the option to park in any direction.

IF YOU CHANGE TO HOUSING:

If you choose to live in on-campus housing, thus becoming a Housing student, you can exchange this Commuter permit at no additional cost for a Housing permit. TPS must be able to verify with Housing that your student status has changed from Commuter to Housing in order to process this exchange. Call or email the TPS office to exchange.

TPS RULES & REGULATIONS:

All students, faculty, and staff are required to follow the Transportation and Parking Services rules and regulations as a condition of admittance, continued attendance, and/or employment according to UCO policies.

View the TPS regulations at parking.uco.edu.

MAP SUBJECT TO CHANGE:

The UCO parking map, including lot designations, is subject to change at any time. It is the individual's responsibility to check department communications and lot signage when making parking decisions on campus.

REMOTE/EVENING PARKING PROGRAM:

Students are eligible to purchase a Remote/Evening parking permit at a discounted rate. This permit is valid only in Multipermit lots 1, 2, & 3 (East of Wantland Stadium) from 7am-4pm and Faculty/Staff, Commuter and all other Multipermit lots after 4pm. A limited number of these permits are available, and will be issued on a first-come first-served basis.

CARPOOL PROGRAM:

Current faculty/staff and commuters who are able to carpool together the majority of the time are eligible to share a Carpool permit. There is a four (4) person maximum to carpool groups. Carpool permits are valid in commuter, faculty/staff, multipermit lots, and the NUC visitor lot (Lot 10), free of charge.
