

PHYSICAL DISABILITY PERMIT INFORMATION

WHERE YOUR PERMIT IS VALID:

This permit is valid in handicap and non-reserved spaces on campus. This includes Faculty/Staff, Commuter, Housing, Multipermit, and the Visitor Pay Lots, free of charge. The permit is not valid in any lot or space expressly marked as reserved. If using a handicap space, your state-issued physical disability placard must be properly displayed.

LICENSE PLATE DISPLAY:

All license plates must be visible from the drive aisle. A citation will be issued to vehicles that do not have their license plate visible from the drive aisle. Vehicles may not back in or pull through a space unless they have a front license plate. A UCO vanity plate can be purchased from TPS to provide flexibility when parking.

EXAMPLES

VEHICLE LICENSE PLATE REGISTRATION:

It is important that permit holders ensure their license plate and vehicle information is accurate and up to date. Students, faculty and staff can access the online Parking Portal to add, edit or delete vehicles from their permit by following the steps listed below. Up to 4 vehicles can be registered to a permit, but only one vehicle may park on campus at a time to avoid receiving a citation.

- Click "Permits" in the top navigation bar, followed by "View Your Permits."
- Login with UCO credentials.
- Select the current active permit listed that you want to add a vehicle to.
- Click "Add Vehicles to Permit" at the bottom of the page.
- Check the box next to the vehicle(s) to be associated with the permit and select "Add the selected vehicle." If it is a vehicle not yet added to your account, select "Add a new vehicle" and enter the vehicle details to be added.
- To remove a vehicle from a permit, select "Delete" next to the vehicle and hit "OK" from the pop up message. Please note this does not remove the vehicle from your parking account. If you have outstanding citations, you will not have the option to delete a vehicle.

If you are no longer using a vehicle and you would like it removed from your parking account, please contact the parking office via email at parking@uco.edu.

UCO DECORATIVE PLATE:

Decorative UCO Front Plates can be purchased for \$5 from the TPS office, Bausher Place room 201, if permit holders would like the option to park in any direction.

IF YOUR PLACARD EXPIRES:

If your state-issued Physical Disability placard expires, you must obtain a new placard from the state and register this placard with the TPS office to continue using this permit type. If your placard expires and you are not issued a new one you must exchange this permit at no additional cost for the appropriate permit type based on your classification. Call or email the TPS office to update placard information or exchange the permit.

TPS RULES & REGULATIONS:

All students, faculty, and staff are required to follow the Transportation and Parking Services rules and regulations as a condition of admittance, continued attendance, and/or employment according to UCO policies.

View the TPS regulations at parking.uco.edu.

MAP SUBJECT TO CHANGE:

The UCO parking map, including lot designations, is subject to change at any time. It is the individual's responsibility to check department communications and lot signage when making parking decisions on campus.
